

2018 - 2019 School Year at LCI

Dear Students and Parents,

As things wind down, we are busy preparing for the coming school year. We look forward to seeing our returning students and to welcoming those of you who are new to LCI.

All new students should be aware that we have an Advisor Program at LCI. Advisor groups will meet as a regular part of the students timetable. Get to know your advisor quickly, as this person will advocate on your behalf and will be a constant link for communication with the home. Advisor is an attendance based period in which we distribute information and documents such as school announcements, school photos, grad info, etc. Advisors will also do pre-req checks for students to ensure proper course registration.

SCHOOL BUS INFORMATION: Please refer to the Lethbridge School District #51 website for bussing routes. Printed maps will be available at LCI during the registration days in August. During the first two weeks of school the Lethbridge city busses do provide free bussing to school while students sort out their proper bus routes.

SCHOOL CALENDAR: Please refer to the [LCI website calendar](#) for events posted throughout the year as well as dates for the following: Staff Professional Learning Days, Report Card Dates, Parent/Teacher Interview Evenings, Sporting and Award events, etc. Please use the LCI calendar for current info only as it can only hold 6 months worth of information. Please refer to [the Lethbridge School District #51 website calendar](#) for a full calendar year of days off if you are needing to plan in advance around those days.

SCHOOL COUNCIL: The LCI School Council is an important group at our school. By attending the meetings, you generally have first-hand information about what is happening in the school. Please join us for the first meeting on Tuesday September 25, 2018 in the LCI Learning Commons. Your voice is important! At the
