

## Program Planning Guide

Student Name \_\_\_\_\_ Advisor \_\_\_\_\_ Graduation Year \_\_\_\_\_

**Grade 10** – All students must carry a full course load (8 classes), including but not limited to English, Math, Science, Social Studies and PE

**Grade 11** – Students are encouraged to take a full course load. Exceptions may be made if a student’s course load is heavily weighted with academic classes

**Grade 12** – If students are on track to meet Alberta’s High School Graduation Requirements, it is possible to have a spare

| Grade 10            |       |        | Grade 11            |       |        | Grade 12            |       |        |
|---------------------|-------|--------|---------------------|-------|--------|---------------------|-------|--------|
|                     | Mark  | Credit |                     | Mark  | Credit |                     | Mark  | Credit |
| English ____        |       |        | English ____        |       |        | English ____        |       |        |
| Social Studies ____ |       |        | Social Studies ____ |       |        | Social Studies ____ |       |        |
| Math ____           |       |        | Math ____           |       |        |                     |       |        |
| Science ____        |       |        | Science ____        |       |        |                     |       |        |
| PE10                |       |        | CALM                |       |        |                     |       |        |
|                     |       |        |                     |       |        |                     |       |        |
|                     |       |        |                     |       |        |                     |       |        |
|                     |       |        |                     |       |        |                     |       |        |
|                     |       |        |                     |       |        |                     |       |        |
|                     |       |        |                     |       |        |                     |       |        |
|                     |       |        |                     |       |        |                     |       |        |
|                     |       |        |                     |       |        |                     |       |        |
|                     |       |        |                     |       |        |                     |       |        |
|                     | Total |        |                     | Total |        |                     | Total |        |

**Credit Count for classes**
