

LETHBRIDGE SCHOOL DISTRICT NO. 51

Approved: March 12, 2001;
Amended: January 12, 2010

203.2 Long Range Planning

Amended:

Policy

The Board shall direct the Superintendent to develop long range District education plans that support District goals and priorities, to facilitate improvement, within the limits of established curriculum and the financial resources available.

The Board expects that all District plans shall be in accordance with District policy, the School Act and other applicable provincial and federal statutes and regulations.

Regulations

1. Long range District plans should normally cover three years.
2. The Combined District Three Year Education Plan and Annual Education Results Report shall be developed and implemented on an annual basis, and shall incorporate revisions resulting from the Annual Education Results Report (AERR).
3. The Board may conduct other long range planning activities or reviews to provide direction to planning of programs, facilities, or services over a longer term basis.

The Board delegates to the Superintendent the authority to develop the procedures necessary to implement this policy.
