## Start this new year with the right Mindset

### TRANSFORM YOUR THINKING, TRANSFORM YOUR GRADES

I'm not that smart	>	I can become smarter through effort
I've failed so I should give up	>	I've failed so I should try a new strategy
This is too hard, I give up	>	This is hard but I'm going to persevere
If I have to try this hard I can't be that smart	>	Trying really hard is the way to become smarter
My abilities determine everything	>	My effort and attitude makes all the difference
I don't understand this	>	I don't understand this yet but I'll keep going
I'm either good at it, or I'm not	>	I can learn anything I want to if I keep trying
I can't get any better	>	I can ALWAYS improve
I can't do this	>	I believe in myself and will keep trying
She's just smarter than I am	>	I'm inspired by those who succeed. I can learn from them
It's good enough	>	Is this my best work?
I've failed so I mustn't be good enough	>	I will learn from my failures so I can improve
I want to look smart	>	I want to learn and be seen as hard-working
I don't like challenges	>	I like to challenge myself so I can improve
This task is too big	>	I can tackle anything I put my mind to
