Scholarships

Lethbridge School Division I.C.E. Scholarship

Applications open Jan 20, 2020. Students are encouraged to apply.

Value: **\$1,000**

Deadline to Apply: **April 20, 2020**

Description:

The ICE scholarship committee is seeking Division students who produce and demonstrate projects that are innovative. The major focus for the awards will be a demonstration of a project, achievement or learning endeavour that illustrates innovation.

While the main criterion for the awards is evidence of innovative thought and creativity, projects could, but not necessarily, also have a focus on entrepreneurship: in other words, relevance to the world of business.

The project could be an idea that started in class, but could also come from hobbies, interests or personal situations or circumstances.

There are two categories of scholarships available to students - one category for Grade 9 and Grade 10 students and the other for students who are in Grade 11 or Grade 12. There will be up to two scholarships awarded for each category.
