**Important Message of the Week!!!**

***Virtual Meet the Teacher***

Due to the restrictions in place regarding COVID-19, LCI will be unable to host its regular meet the teacher night on campus. In an effort to introduce ourselves to new families, as well as introduce new staff to our longstanding LCI community, Mr. Hyggen will be producing a video that will be uploaded to YouTube and released on Thursday. Stay tuned for a link to be sent out on Thursday for your “Virtual Meet the Teacher” experience. We will share the link with you again in next weeks G2G news.

Having said that, the staff at LCI want to encourage all parents to reach out to staff via email if they have any questions about the course content, or to share any relevant information about your child’s individual learning style. Please don’t hesitate to email any of your child’s teachers. We also encourage parents to be checking PowerSchool regularly and if you see anything concerning with regards to your child’s academic achievement, to message the teacher right away, so we can work together to ensure optimum academic success.

## School Fees

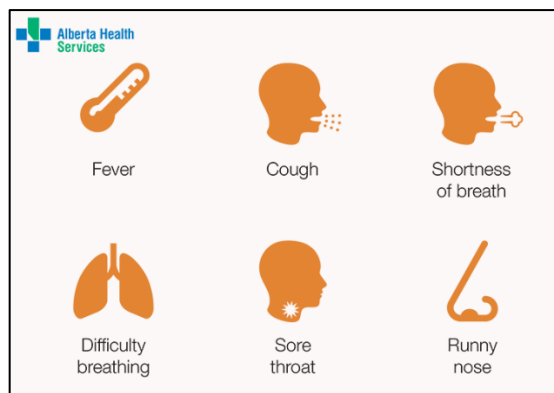

School Fees were initially planned on being posted this Monday, September 14<sup>th</sup>. Unfortunately, due to a glitch in the software, we are NOT able to post school fees for LCI students at this time. This is a local issue that the LCI technical department is trying to resolve. We do not have definite timeline on when a solution will be found, and thus we do not have a firm date on when fees will be posted. For now, school fees will be paused indefinitely. We apologize for the delay and will let you know as soon as soon as they can be posted.

## School Council Meeting Next Week

Next week will be our first School Council meeting which is currently scheduled for 7:00 pm in the Large Lecture Theater. With that said, Mr. Pallett is still navigating the logistics of if, or how we can we host our Parent Council meeting at the school. This may have to be done by RSVP, or it may have to happen virtually. Notification on if and how parent council will proceed will have to come out later this week.

## Self Screening for COVID Symptoms

We want to thank the LCI community for doing a great job at self screening and checking for COVID-19 symptoms. We know that there have been numerous students who have excused absences and have taken it upon themselves to stay home and get tested voluntarily. To those students and their families, we want to thank you for your diligence. PLEASE REMEMBER – If you have any of the following symptoms, to stay home and self isolate until your test comes back negative. LCI remains COVID free, and we want to ensure that it stays that way!

## Box Cleaver App

Lethbridge School Division No. 51 is looking to boost the number of downloads for our division app. Essentially, the app allows parents to select the school or schools they want to follow. Parents will then receive notices on news and calendar updates for those schools. By downloading the app, parents will also be able to receive notifications from their schools and from the school division, which can certainly be helpful if there is a school closure due to weather, or an important COVID-19 update. Here is a link to a news item on the division site that explains the app process:

<https://www.lethsd.ab.ca/our-district/news/post/schoolguide-app-update>

## Green 2 Gold Nominations

Green 2 Gold nominations can be accepted any time throughout the school year. **Anyone, including parents, can nominate a LCI student for a Green 2 Gold award.** Nominations are done online by visiting the LCI website at the following link: <https://lci.lethsd.ab.ca/programs/green-to-gold> You can also check out photos of our Green 2 Gold ambassadors who have proven themselves “Golden” members of our LCI community! We have some great students who demonstrate amazing Grit, Growth, Respect, Responsibility & Empathy each and every day. Help us give them the credit they deserve by making your nominations. We also want to thank our own Mrs. Dilworth-Baum for being such a “Golden” teacher and working so diligently at promoting those great students.

# LCI SPIRIT WEEK!

September 21st to 25th

MONDAY

**PYJAMA DAY**

TUESDAY

**TWIN TUESDAY**

WEDNESDAY
