Important Message of the Week!!!

Spirit Week at LCI

Our leadership class at LCI has been doing their best to put on a series of fun “spirit days” this week. PJ day will kick off the week followed by Twin Day on Tuesday, Dress Up Formal Day on Wednesday, Retro Throw Back Thursday, and finally... the Big One **GREEN & GOLD DAY** on Friday

With so many of our amazing programs being restricted due to COVID safety concerns, it is more important than ever to show up and support our Green & Gold school spirit and show our Ram & Clipper pride. Whether it's our Volleyball athletes that aren't on the court right now, our X-Country team who should be getting ready for city championships, our dancers who would be beginning their choreography, our Choir and Bands who would be practicing after school, our RAMS who would be taking the football field, or the countless other students who are missing their chance to show off their skills that they have been honing for the last 12 years... this GREEN & GOLD day is for you!

PUT ON THE GREEN & GOLD THIS FRIDAY AND LETS HAVE SOME FUN!!!!

School Fees

School Fees were initially planned on being posted this Monday, September 14th. Unfortunately, due to a glitch in the software, we are NOT able to post school fees for LCI students at this time. This is a local issue that the LCI technical department is trying to resolve. We do not have definite timeline on when a solution will be found, and thus we do not have a firm date on when fees will be posted. For now, school fees will be paused indefinitely. We apologize for the delay and will let you know as soon as soon as they can be posted.

School Bus Privileges

Please note that wearing a mask on the Bus is mandatory. Should a student need to be asked repeatedly to put their mask on, or if they refuse to wear their mask on the bus, their bus privileges will be revoked. Please note that the City of Lethbridge employs the drivers and operates the busses. However, schools have been asked to help with enforcement of the mask policy on the bus. If you have any questions about masks on busses, or any bussing questions in general, please call Kyle McKenzie at the school

Meet the Teacher Videos

Unfortunately, we missed the opportunity to meet with parents in person and show off our amazing staff due to COIVD restrictions. However, you can still catch a glimpse of the people who work in our building by visiting the staff directory on our website. Each teacher created a short little video introducing themselves and their role here at LCI. Those videos can be found by clicking on “More Information” under each teacher’s name. We hope you enjoy our “Meet the Teacher” videos, and feel free to reach out and contact your child’s teachers via email if you ever have any questions or concerns.

Orange Shirt Next Week

Orange Shirt Day recognizes the harm done to entire generations of children by the Residential School system and not only the loss of their culture, but the abuse suffered within those residential schools. By wearing your orange shirt on Wednesday, September 30th, you are affirming your commitment to ensure that **every child matters**. Orange Shirt Day also recognizes our commitment to reconciliation, anti-racism and anti-bullying. You can see a short lesson that will be shared with our student body on Wednesday by visiting the LCI homepage and clicking on the “Every Child Matters” news story. We hope to see a lot of orange roaming the halls next Wednesday!
