**Important Message of the Week!!!**

**Meet the Teacher Night**

All parents are invited to join us this Thursday at 7:00 pm in the large gym of LCI for meet the teacher night. The entire staff of LCI will be on hand for a "Meet & Greet" event that will allow families to put a face to the name for each teacher.

Teachers will be available to answer any questions you may have about the upcoming semester and the courses they teach. Please feel free to bring your high school student along and allow them to make the introductions.

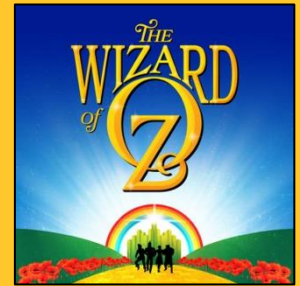

### ***Class Sizes and Course Changes***

LCI has seen a small boom in its population this year. Currently, LCI has an enrollment hovering right around 1,300 students. This has meant that some class sizes have crept up significantly and there are certain subjects that are over capacity. In an effort to alleviate these strains, Mr. Pallett has been working closely with the school division to secure two, part time teachers. This week, two teachers will begin working in collaboration with their respective departments to adjust class sizes and make extra sections available for students who are able to shuffle their classes. We encourage students to see their grade level administrator if they think that they can benefit from these additional class selections.

### ***Wizard of Oz Drama Production***

Mr. Frewin is proud to announce this year's fall drama production... The Wizard of Oz. Open auditions are being held this Monday and Tuesday and all students are invited to audition for a role. **EVERYONE WILL GET A PART** who auditions. Sign-up sheets for auditions have been outside the drama room for students to claim their spot. The show will debut in the first week of December. More information on ticket purchasing will come closer to the opening date.

### ***LCI Cross Country Running Team***

The LCI Cross Country Team has been out boosting their cardio regularly after school. Anyone can sign up for the team and head off to the first qualifying event. The first X-Country race is this Saturday, Sept 17<sup>th</sup> at Henderson Lake. The final day to sign up for the team so that you are registered for that run is this Wednesday, September 14<sup>th</sup>. Signing up can be done online by scanning the QR code you see here.

### ***Follow LCI on Instagram***

Mrs. Dilworth-Baum does a great job at managing the LCI Green2Gold Instagram page. You can follow that Instagram page for constant updates about what happening around the school (i.e. new staff member introductions or planned Spirit Weeks) and for lots of important information (i.e. final exam schedules and parent teacher interview sign up). Follow us on Instagram at...

## Bus Route Changes & Info

There are new changes to a bunch of LCI's bus routes this week. Most of the Westside routes were adjusted to even out the number of students on each bus. This year, Southland transportation has created a QR code that will take you to the website with the most up-to-date bus route maps and times. We encourage you to check that website to make sure that you know when and where to catch your bus. If you have any questions or concerns about bussing, you can contact Southland Transportation directly, or feel free to reach out to Mr. Kyle McKenzie at LCI.

## Textbook Return

With the start of a new school year, students will need to return any of their old textbooks that never made it back last year. With the recent surge in student population, LCI is experiencing a textbook shortage. Due to that shortage, we are asking students to either return old and outstanding textbooks, or pay for their replacement before new books are issued.

Please Note: **STUDENTS MUST HAVE RETURNED ALL OF THEIR TEXTBOOKS FROM LAST YEAR BEFORE RECEIVING THEIR TEXTBOOKS FOR THIS YEAR. IF A STUDENT HAS LOST A BOOK, THEY CAN PAY FOR IT IN THE OFFICE BEFORE PICKING UP THEIR NEW TEXTBOOKS**

## Rams & Clippers Corner

### Tuesday September 13<sup>th</sup>

- High School Zones Golf Tournament
