Important Message of the Week!!!
Orange Shirt Day

Keeping in mind that LCI is built on the traditional land of the Blackfoot people, we are hoping that ALL student from LCI will wear orange this **Thursday, September 29th**.

LCI has a significant indigenous student population who truly appreciate the efforts of our school community to acknowledge them and the existence of a residential school that operated only a short drive from here right up until the 1980's. Please wear orange to school this coming Thursday.

Parents Checking PowerSchool

As you can see on the calendar, Parent Teacher Interview bookings are only weeks away. We ask that parents download and check the PowerSchool app regularly to stay up to date on the academic progress of their child. You can see what assessments are coming up, as well as what marks have been earned on assessments already completed. You can also see if there are any assessments that are missing or past due, and what your child's attendance is like in each of their classes.

If you see anything out of the ordinary while you are checking PowerSchool, please do not hesitate to reach out to the teacher via email to inquire. You do not need to wait... the sooner we can address any issues, the better. That is why PowerSchool and 24/7 access to grades can be advantageous.

Post Secondary Fair

Career Transitions will be putting on Post-Secondary Fair at **WCHS** on **Wednesday, October 12th** between 5:00 and 8:30. Student and Parents are invited to come and talk to representatives from local and provincial post-secondary institutions. You can find more information at:

www.careersteps.ca/post-secondary-fair/

Two talks will each be presented two times that night.

Transitioning to Post-Secondary will be a talk with tips and tricks to navigate the switch from high school into Post-Secondary

Finance & Scholarships will focus how to fund your Post-Secondary Education with finance representatives from the Lethbridge College and U of L on hand to answer questions

PRESENTATIONS

5:00 – Transitioning to Post Secondary School

5:45 – Financing School & Scholarships

6:30 – Transitioning to Post Secondary School
