Bus Evacuations & Bus Safety

Southland transportation will be conducting Bus Evacuation drills with all regular riders this coming Friday. They would also like to remind riders to “Know Their Zone” and stay clear from danger zones when boarding or exiting the bus.

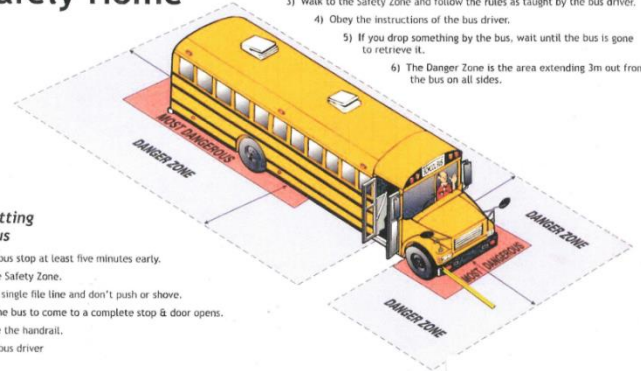

PLEASE NOTE: that the City of Lethbridge has a bylaw in place which does **NOT** allow school busses to use their flashing red lights or stop sign to stop traffic for students as they exit the bus. Therefore, riders must be very careful as they cross street afterwards as well.

If you have any questions or concerns about bus safety, please feel free to contact Southland Transportation directly, at (587) 425-4245 or andrear@southland.ca

Green 2 Gold Character Nominations

LCI's first Green 2 Gold character ambassadors are being selected this week. Please know that anyone can nominate a student for an award, including parents. It is simple and easy if you use the link that can be found on the main LCI webpage (<https://lci.lethsd.ab.ca/programs/green-to-gold>). Every student who is nominated receives a letter indicating their nomination as well as a copy of the nomination description.
