!!! CORRECTION !!! *Bus Route Info*

In the G2G news last week, it was mentioned that next year, the new guidelines of a 1.0 km radius would take effect for bussing students. This was a mistake on my part. That guideline will be in place for younger students from K-6. Transportation for students from grades 7-12 will be limited to students that live outside a 2.0 km radius.

Indigenous Education Week

Oki... Parents and community members are invited to join the LCI student body on the front lawn of the school for two symbolic events celebrating the indigenous members of our school community. Students and community members are asked to dress appropriately for the weather on each of the two mornings. Please note that 5th Avenue between 17th and 18th street South will be temporarily closed to make room for the events and their spectators on each of those mornings.

Thursday, September 21st - This event is intended to celebrate Treaty Seven Day and commemorate LCI's raising of the Blackfoot Confederacy flag as a permanent installation on our school campus
8:50 to 9:30 am

Friday, September 29th - This event is to pay our respects to the victims and survivors of Residential Schools as part of the truth and reconciliation process with our indigenous community members
8:40 to 9:20 am

In addition to the two events being held on the 21st and 29th, LCI will also be undergoing a Blackfoot naming ceremony which will be taking place on Friday, September 22nd. We welcome any one wanting to join us for any of the events listed above and look forward to seeing you.
