!!! Important Message of the Week !!!
North Side Bus Route

A message went out via school messenger indicating there will be a new bus route (N-1) that will deliver students to LCI from the north side. Please note that this route is intended for French Immersion Students only. Those students who were previously using city transit to make their way to school should start accessing the N-1 bus starting on **Wednesday, September 27th**.

The N-1 route, as well as all other stops and times can all be found on the Southland Transportation website: <https://www.southland.ca/lethbridge/>

Parents Checking PowerSchool

Parent Teacher Interviews will be held on October 26th and 27th which is only a few weeks away. We ask that parents download and check the PowerSchool app regularly to stay up to date on the academic progress of their child. You can see what assessments are coming up, as well as what marks have been earned on assessments already completed. You can also see if there are any assessments that are missing or past due, and what your child's attendance is like in each of their classes.

If you see anything out of the ordinary while you are checking PowerSchool, please do not hesitate to reach out to the teacher via email to inquire. You do not need to wait... the sooner we can address any issues, the better. That is why PowerSchool and 24/7 access to grades can be advantageous.

Indigenous Education Week

Oki... you may have seen LCI's Tipi set up on the front lawn of our school over the past few days as part of our indigenous celebrations. Last Thursday, the LCI student body was treated to a flag raising ceremony accompanied with indigenous singing and dancing. We will be hosting a culminating event this Friday as we recognize National Truth & Reconciliation Day. The student body will again be on the front lawn to partake in a brief event where we pay our respects as part of Orange Shirt Day. The LCI choir will be performing, along with the LCI band. This event is open to parents who would like attend (standing room only), we only ask that those who wish to attend wear an orange shirt to go along with the event, to go along with the rest of the orange shirts that will be worn that day.

Friday, September 29th - This event is to pay our respects to the victims and survivors of Residential Schools as part of the truth and reconciliation process with our indigenous community members
8:40 to 9:20 am

Final Exam Schedule

Parents, this is just a reminder to please make sure that you are not booking vacations, sporting events, or other get aways during the exam breaks at the end of January and June. This is time when some families start thinking about vacation time. With the size of our student body, it will be impossible for us to create custom final exam schedules for all of the different student requests that come in. We will have the final exam schedule out 1 calendar month prior to the final exam break. We ask that you do not schedule anything until that has been released and you can work around the final exams. Thank you for your cooperation... it means a lot to the staff of LCI.
