Important Message of the Week!!!

3rd Annual Tri-High Food Drive

Mrs. Dilworth and Leadership students are excited to kick off the 3rd annual Tri-High Food Drive. This is a direct competition between the North, West and South side high schools in Lethbridge and we want LCI to take the bragging rights. The leadership crews have placed large donation boxes all around the school, including the main office. Student can drop off any non-perishable food item in the boxes. If you are coming to Basketball Game or taking in one of the Christmas Concert, bring along a can of food with you can drop it off on your way in.

Final Exam Schedule

The final exam schedule is now finalized and posted for students to look over. Exams will be written in a mix of class cohorts (i.e. Individual Classrooms or Computer Labs) and large writing arenas (i.e. Large Gym, Cafeteria, Large Lecture Theater, etc.). On the day of the exam, students will need to go the room number indicated on the exam schedule. Class lists will be up on the different classroom doors so that students can double check that they are in the right place to complete their exam. The full schedule as well as exam protocols are posted on the LCI website.

!!!! One Really Important Note Regarding Accommodations for Exams !!!!

Any students who requires accommodations for their exam(s) should report directly to the learning commons on the day of that exam, **despite what the schedule may say**. Any and all accommodations must be **pre-arranged** with their teacher and Mr. Fuller. Students are encouraged to talk to their teachers in advance to ensure that their testing needs will be met on the day of the exam.
