!!! No Return Busses During Exams !!!

Please note that bussing will be picking up students at their normal pick-up times during the exam break. However, there will **NOT** be any return bus routes after exams are completed at the end of the day.

STUDENTS WILL NEED TO ARRANGE THEIR OWN TRANSPORTATION HOME AFTER THEIR EXAMS ARE DONE

Textbook Return

The Textbook Center will be open daily from 8:00 am to noon during the exam break for students to return their textbooks. We want students to have access to their books and to use them to help them study for exams right up until their final exam date. However, we would also request that students return their books on the morning of their final exam so they can be prepped for next semester classes. **PLEASE NOTE** – Students will not be issued new textbooks next semester until their old ones have been returned (or arrangements have been made to paid for lost or damaged books)

Semester 1 Ends – Semester 2 Begins

As Semester 1 is ending, we are encouraging all students to ensure that they are finishing on a strong note, going to all classes on time, studying hard, and ensuring that any missing assignments that can still be submitted are submitted. Now is the time to put in one’s best effort in preparing for final exams and maintaining/obtaining the highest final grade they can.

The first day of classes for Semester 2 is Thursday, February 1st. Students can and should be messaging their grade level administrators via TEAMS is they have any class change requests for the second semester. The last day for Add/Drop of classes for semester 2 will be Friday, February 9th.

LCI Dance Academy Production

The LCI Dance Academy is proud to present this year’s production titled “SELFHOOD”. Mrs. Olsen and all of the dance students at LCI have been working tremendously hard planning and practicing the intricate choreography for this year’s production.

Final Exam Schedule

The final exam schedule is now finalized and posted for students to look over. Exams will be written in a mix of class cohorts (i.e. Individual Classrooms or Computer Labs) and large writing arenas (i.e. Large Gym, Cafeteria, Large Lecture Theater, etc.). On the day of the exam, students will need to go the room number indicated on the exam schedule. Class lists will be up on the different classroom doors so that students can double check that they are in the right place to complete their exam.

!!!! One Really Important Note Regarding Accommodations for Exams !!!!

Any students who require accommodations for their exam(s) should report directly to the learning commons on the day of that exam, **despite what the schedule may say**. Any and all accommodations must be **pre-arranged** with their teacher and Mr. Fuller. Students are encouraged to talk to their teachers in advance to ensure that their testing needs will be met on the day of the exam.
