## Bus Registration for Next Year

Parents and students are being asked to register for bussing for the 24/25 school year. An email link has been sent out to all LCI parents with instructions on how to register for bussing through PowerSchool. The registration process will allow the division to get accurate numbers as to who will be requiring bussing for next year. This will hopefully reduce last minute adjustment to routes and pickup times at the beginning of the year if they have accurate numbers to plan accordingly.

Bus Registration is done through your PowerSchool Parent Accounts by following the instructions in email from division office
