## Summer School Is Underway

Lethbridge School Division offers high school summer courses through Victoria Park High School only. Any students wishing to take a summer course will need to register with Victoria Park High School which is now open.

The intake process to register for summer school requires parents to call a head to book their intake appointment. Students and Parents must attend the intake meeting to go over how the course will work and the applicable deadlines. There is lots of good information on all of the summer school courses available to student on the Victoria Park website which is linked below:
