PowerSchool & Final Grades

PowerSchool will be closing this week. We encourage all students and parents to take the time to look at PowerSchool and their current marks so that they know what they are going into the final exam with.

Teachers will be entering final exam grades and report card comments over the final exam period. This will include recommendations for next years classes.

**PowerSchool is set to re-open on June 27th
at 8:00 am to review final grades**

Athletic & Fine Arts Award

LCI will be recognizing its numerous talented and dedicated students during the annual Athletic & Fine Arts Awards. Several, very prestigious awards will be given out with Large Scholarships and legacy trophies being announced on during the awards ceremony. Everyone is invited to come out to see who this year's winners will be. This evening is a proud moment for Parents, Students, Coaches, and the Staff of LCI.

Date: Wednesday, June 12th

Time: 7:00 pm

Place: LCI Large Gym

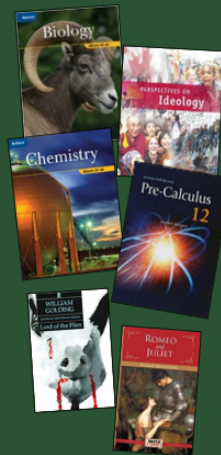

Textbook Return

Students are welcome to hang on to their textbooks until the day of their final exam. However, we do ask that students return those textbooks before on the morning they write their exam.

Textbooks are very expensive and so we need students to respect that fact and return their books to the Learning Commons.

If they have lots a textbook, they can come up to the office and make a payment so that the book can be replaced. Students will need to do that before getting new books next year.

!!! TEXTBOOKS ARE VERY EXPENSIVE !!!

Students are encouraged to keep their textbooks until the day of their final exam to help them study and prepare. However, we ask that students return their textbooks to the Textbook Center on the morning of their exam. Don't leave textbooks laying around and be sure to return them yourself so you know they made it back safely.

**Return Your
Textbooks
Please**

Locker Clean Out

It is getting to that time of year. Students should start bringing items home from their locker that they do not need at school. All lockers must be cleaned out for the summer by June 13th so caretaking can begin their summer cleaning. We ask students to do their best to leave the lockers empty to make cleaning quick!

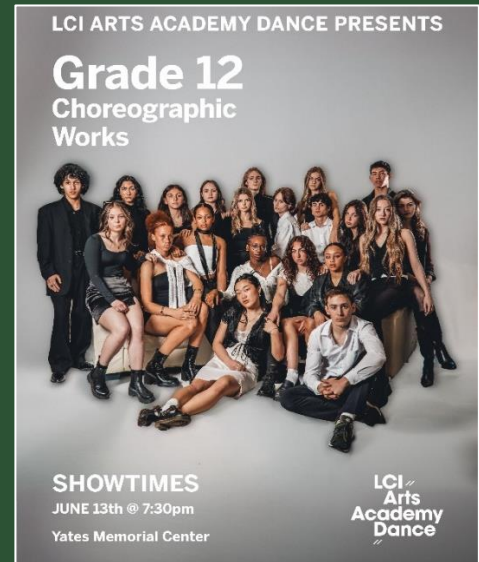

Dance Production

The grade 12 dance academy students are getting set to showcase their amazing skills in the Choreographic Works for 2024. This is an annual event hosted by Mrs. Olsen and the Grade 12 LCI Dance Academy students and gives students an opportunity to demonstrate their amazing talent that they have been perfecting for the last 4 years at LCI. We look forward to the seeing what these amazing graduates of LCI have to offer and where they are set to take their talents in the future.
