Opens @ 8:00**

Friday June 28th

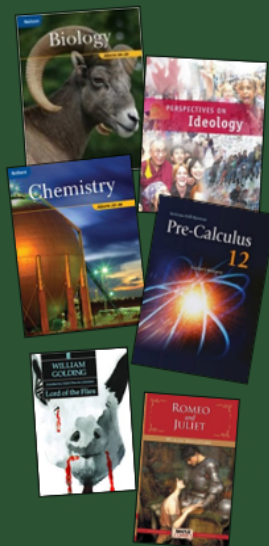

**Summer Holidays
Begin**

Textbook Return

Students are welcome to hang on to their textbooks until the day of their final exam. However, we do ask that students return those textbooks before on the morning they write their exam. Textbooks are very expensive and so we need students to respect that fact and return their books to the Learning Commons.

If they have lots a textbook, they can come up to the office and make a payment so that the book can be replaced. Students will need to do that before getting new books next year.

!!! TEXTBOOKS ARE VERY EXPENSIVE !!!

Students are encouraged to keep their textbooks until the day of their final exam to help them study and prepare. However, we ask that students return their textbooks to the Textbook Center on the morning of their exam. Don't leave textbooks laying around and be sure to return them yourself so you know they made it back safely.

**Return Your
Textbooks
Please**

First Days of School in the Fall

Below is a timeline of the first weeks of school. The calendar below will be posted on the school website with a detailed outline of each important date. Please visit the LCI website (<https://lci.lethsd.ab.ca/>) and click on the calendar to see a detailed description of each date. There will be other important info posted on the school website to help guide any timetable change requests after PowerSchool opens on Aug 21st.

GRADE 9's First Day on Tuesday September 3rd

All grade 9's will receive their school orientation on Tuesday, September 3rd. The entire day is set aside for just the grade 9's. They will get to meet their advisor, get their timetable, meet all their teachers, and get a school tour. We will make sure that our new grade 9 students are well taken care of on that first day of school. All grade 9's are to meet on the front lawn of LCI at 7:50 am.

All LCI Students First Day on Wednesday September 4th

The first day of school for all grade levels will be on Wednesday, September 4th. The timetable will run as normal on this day giving our returning students a chance to meet their teachers for the semester, as well as get course outlines and textbooks.

Monday August 19th LCI Office Opens 	Tuesday August 20th Master Schedule Posted to LCI Website So Students can see what classes are offered when	Wednesday August 21st PowerSchool Opens @ 7:00 am 	Thursday August 22nd LCI Admin Team will be checking TEAMS this week and making course change requests. Please see details on the LCI website for instructions on how to make course change request with admin	Friday August 23rd
Monday August 26th	Tuesday August 27th Gr. 9's - 8:30 Photos & Student ID Card Gr. 10's - 1:00 Photos & Student ID Card	Wednesday August 28th Gr. 11's - 8:30 Photos & Student ID Card Gr. 12's - 1:00 Photos & Student ID Card	Thursday August 29th	Friday August 30th

Timetable Change Requests in the Fall

Each year, LCI does everything it can to accommodate student requests for timetable changes. This includes trying to match students with teachers and move spares to their most advantageous times, all while ensuring students are getting the courses and credits they need.

However, we have over 1,600 students starting the school year with us. That means that students will also have to be flexible with the timetables that they require.

Please Note - This year, PowerSchool will open on August 21 at 7:00 am for students to see their initial timetable. Timetable change requests can begin after 7:00 am on that day. Please look at the master schedule which will be posted on our website the day before (Tuesday, August 20).

Here is what you need to know when making their timetable change requests:

- All timetable change requests will be done via TEAMS. Students should message their grade level administrator on TEAMS to make their request.
 - Grade 10 – Kyle McKenzie
 - Grade 11 – Katrina Van Der Meer
 - Grade 12 – Annett Fox Bruised Head
- Grade 9 course schedules do not flex. Class lists are set by teachers in advance and classes move as a cohort. Grade 9 option changes follow a different procedure which be laid out by Gordon Vatcher (Grade 9 Admin) directly to students.
- Be very specific with your timetable change requests. The more you tell us, the better we can do to help you when we get to your request. Tell us exactly what courses and in which blocks you want to add/drop courses. If you can, tell us what your priority changes are, and which ones you can live without. It would not be good use of your initial message to be “Can I make some changes?” or “What other course could I take?”. Have a clear plan, and even better, include in your message, each semester block-by-block outlining the courses you want added/dropped.
- Please look on the master schedule that will be posted on the main LCI webpage on Tuesday, August 20. This will allow you to look and see what changes possible and which ones are not before messaging in with your request(s).
- **DO NOT** message in before 7:00 am on Wednesday August 21 . Any messages sent in prior to that time will not be addressed. Wait until you see your timetable in PowerSchool.
- Please be patient with us. Some grade levels have almost 500 students. This means that it may take days, not hours to get to your request. If you re-message just to “check in”, your TEMAS message gets moved back to the end of the queue and will further delay the response.
- Please be selective in your requests. If you have all of the courses you need, please ask yourself how necessary is your course request is. With over 1,600 students it will be impossible to make every change that everyone asks for.

Again, the admin team at LCI strives to do its best to get every student their most optimum timetable. We want students to be with the right teachers, peers, and have the right timetable that will optimize their success. Please work with us and be willing to be flexible as we work through your requests.

How to Request Timetable Changes in the Fall

- Message Your Grade Level Admin
- No Messaging Before Aug 21st
- Be Specific with your Requests
- Please Be Patient With Us

This information will be posted on the LCI website over the summer - <https://lci.lethsd.ab.ca/>

New Grade 10 11 & 12 Students

Each year, LCI welcomes hundreds of new Grade 9 students to the school. We do a fantastic job of welcoming them, getting them orientated with building, helping them learn the ropes, and answering any questions they might have.

But what about the new Grade 10, 11, and 12's that are joining us for the first time as well? For them, there will be a Parent & Student orientation evening on Tuesday, September 3rd from 6:00 pm to 8:00 pm in the LCI Learning Commons.

Students and parents are both welcome to attend. Students will be given their "New Student Package" containing their class timetable, locker info, assigned bus route, PowerSchool info, etc. There will also be a short school tour so that students can find their way around the building the following day. At the very least, it will be a necessity for our new grade 10, 11 and 12 students to come and pick up their packages that evening, as they will need their timetables the very next day, so they know where to go.

New to LCI - Grade 10, 11, and 12 Student & Parent Orientation

Tuesday, September 3rd
in the LCI Learning Commons
6:00 pm to 8:00 pm

- Pick up student timetables
- Learn about School Expectations
- Lockers / Bussing / Logins
- LCI School Tour

School Photo Days

Photo Days for the 2024/2025 school year are scheduled for **August 27th & 28th**. These days are designed as drop-in days for students to show up and get their photo taken at their convenience. It usually goes pretty quickly and it is important so that you have your Student ID card ready for the start of the year.

**Photos Open from
8:30 am to 3:00 pm**

Make sure you stop by the school to get your school photos taken on Tuesday August 27th or Wednesday August 28th.

You will also get your Student ID card at the time of your photo which is needed for textbook exchange, as well as your bus pass sticker, so it is important to get your photos
!!! taken on time !!!
