!!! Timetable Changes Start This Week !!!

Power School opens at 7:00 am on Wednesday, August 21st so that students can see their timetables. Students can be logging on to see what courses they are registered in and when.

At the same time, the administration team at LCI will be accepting timetable change requests via TEAMS. Students can message into their grade level administrator starting at 7:00 am on August 21st to make their requests. If TEAMS will not work for you then please send an email.

BEFORE MESSAGING IN... Students need to go to the LCI Website and look at two posts that are right on the main home page. The first outline the instructions on how to properly make their timetable change requests via TEAMS. The second lays out the Master Schedule of courses being offered at LCI for the 2024/2025 school year. **Students should read through the instructions and then look at the master schedule before sending in their timetable requests.**

How to Request Timetable Changes in the Fall

- Message Your Grade Level Admin
- No Messaging Before Aug 21st
- Be Specific with your Requests
- Please Be Patient With Us

LCI Master Schedule of Courses for the 2024 / 2025 School Year

Want to see what courses are being offered at LCI for the 2024/2025 school year? Need to plan timetable changes?

Grade 9 - First Day of School

Just a reminder for our new grade 9 students, you will be starting your 1st day at LCI on Tuesday, Sept 3rd Only the grade 9 students will be on campus that day as the entire school is reserved for them to get acclimated to the building and their new surroundings.

Grade 9 students need only worry about one thing on their first day... They only have to show up at LCI on the front lawn by 7:45 am, and we will take care of you from there. Staff will be present to help guide students to the large gym for their 1st high school assembly. From there, we will be grouping students with their advisor teacher, and beginning the process of touring them through the building, introducing them to the staff, giving them their timetables, and get them ready to begin their high school career for the next 4 years. Don't worry... we got you! Just be here:

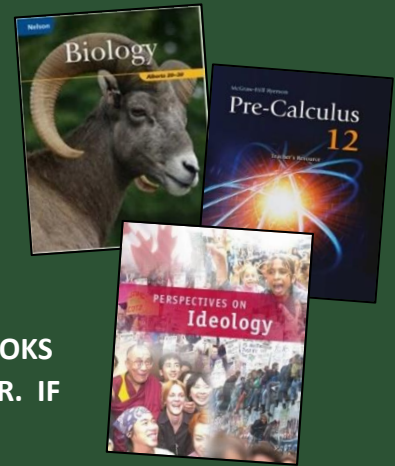

Tuesday, September 3rd at 7:45 am on the front Lawn

Textbook Return

Mrs. Nestorowiz will be on hand to receive any overdue textbooks that did not make it back on time last year. She would be very excited to see missing textbooks get returned on the same dates that students come to the school to get their student photos taken. Please bring any textbooks with you when you come to school at that time... she will be waiting with open arms!

Please Note: **STUDENTS MUST HAVE RETURNED ALL OF THEIR TEXTBOOKS FROM LAST YEAR BEFORE RECEIVING THEIR TEXTBOOKS FOR THIS YEAR. IF A STUDENT HAS LOST A BOOK, THEY CAN PAY FOR IT IN THE OFFICE BEFORE PICKING UP THEIR NEW TEXTBOOKS**

Bus Routes & Bussing Info

Southland Transportation is a private company that has been contracted through the school division to provide bussing for students. Their routes are usually adjusted several times at the beginning of the school year as they figure out their rider numbers, and the timing of their routes.

Rather than attempt to post routes and times on our website, we suggest you check in regularly with the Southland Transportation Website for the first couple of weeks for updates. Bus route updates will be sent out via School Messenger, but you will be able to see the most up-to-date bus route stops and times by the Southland Website at:

<https://www.southland.ca/lethbridge/>

If you have any questions or concerns regarding bussing, you are invited to contact Southland Transportation Directly by calling Adrea Rioux at (587) 425-4245 or andrear@southland.ca

Rams & Clippers – Athletics Tryout Dates

All tryout times for football, volleyball and Cross Country as well as upcoming practice dates/times will be available on LCI Athletic Calendar. Please go to the main LCI website then click on the LCI ATHLETIC SCHEDULE in the buttons on the right hand side of the computer screen (or scroll down really far on your phone)

Once you access the calendar you can see any live updates/changes that may happen as the days go by. This is the best place to stay updated on tryouts and practices times.
