!!! Important Message of the Week !!!
Town Hall Meeting – LCI Facility Needs

Two weeks ago, at our monthly School Council meeting, some statements were made about proposed renovations to LCI that School Council found alarming. As a result, School Council has put together a Special Town Hall Meeting and have invited the Superintendent for Lethbridge School Division, as well as members from the Board of Trustees. This will be an opportunity for the council, and for parents to share their concerns with those who make decisions at the highest level within our division.

This event will be open for **ALL parents, students and community members** to attend on Tuesday, October 8th at 7:00 pm in the LCI Learning Commons. School Council has been overwhelmed with the positive support they have received over the last week and they are looking forward to this event where they can hear directly from the parents and students, what their priorities would be.

Tuesday, October 8th at 7:00 pm in the LCI Learning Commons

Bus Evacuation Drills This Friday

Bus evacuation drills will be conducted by Southland Transportation this Friday. Students will be coached on how to properly exit the bus from the rear emergency exit in the case of a front-end collision. This yearly drill is done by all bus students just in case they are ever faced with an emergency situation
