Indigenous Family Bingo Night

Indigenous Families from the Lethbridge School Division High Schools are all invited to attend the 3rd Annual Bingo Night for fun food, and great prizes. This years High School Bingo Night will be held in the Cafeteria here, at LCI on **Tuesday, October 22nd** starting at **5:30 pm**

We would love to see as many families as possible out that can make it. Shawnee Big Bull (Indigenous teacher of Blackfoot Studies) and Joel Tail Feathers (Indigenous Education Coordinator for the School division), along with many other LCI staff members will be in attendance on that evening.

Congratulations to School Council

We would like to throw out a huge thank you to the parents who sit on LCI's School Council and to the over 100 or so students, staff and parents who came out to support LCI at the special Town Hall Meeting last week. We would also like to thank the members of the school board, Superintendent Mike Nightingale, Mayor Blane Hyggen, and Lethbridge City Council Member John Middleton-Hope, who all came out to hear the concerns directly from our community. Thanks to the team effort from everyone above, LCI has been moved into a priority position for a much

needed up grade. Our division will be submitting a capital plan requesting Phase 1 & 2 preplanning and planning funding to the province in the hope that it will be approved, and we can move forward in the process of upgrading LCI. These are exciting first steps in the process!

Thank You to All Involved... and Congratulations LCI!

No Excusing Students to Stay on Campus

Recently, we have found a few students in the hallways of LCI who are supposed to be in class, but have claimed to be excused by a parent from attending class for various reasons. This is not a practice that LCI can afford given our massive student population. The expectation is that if a student is on campus and they have a scheduled class, then the student is expected to be in that class. Any student on a spare has three choices... 1) Hang out in the cafeteria, 2) Study in the Learning Commons, or 3) Go off campus

The Admin Team at LCI in partnership with our teachers are working diligently to make our big school still feel small. This means keeping our hallways clear and quite, limiting groups of students who can congregate in hidden corners of the school, and maintaining an orderly learning environment for all

Excusing your child from school is a parental choice and we have complete faith in our parent community to only make that choice when it is completely necessary. Whether a student falls ill, has a medical, or has other extra curricular obligations; if a student is excused from classes at LCI, the expectation is that the absence has been entered via School Messenger and the student is not campus for the above-mentioned purposes. We would like to thank parents for their continued support in this matter.

LCI Rock Concert

Mr. Yamamoto and the Rock & Roll Band classes, along with the Guitar 9 class are hosting a Rock Concert in the Large Gym at LCI on Wednesday, October 23rd. There is no admission for this event and we invite all students and parents to come out and enjoy some live music.
