!!! Important Message of the Week !!!

Remembrance Day Ceremony this Week

All students at LCI will be partaking in our Remembrance Day Ceremony this Friday. We are asking students that when they attend to remember that this is a somber event where we quietly reflect on the ultimate sacrifice that soldiers made fighting for our freedom. There will be an alternate bell schedule on Friday that students will be made aware of in Advisor this week.

We want to thank Mrs. Gurtner and the Social Studies Department, as well as the student teachers for their help in organizing a heart-felt and meaningful ceremony.

Navigating Technology Together

Lethbridge School division will be hosting a parent information session on Wednesday, November 13th at G.S. Lakie Middle School from 6:00pm to 7:00 pm. This parent information meeting will bring parents up to date on the division's mobile device and social media policy in response to the Ministerial Order that was issued over the summer break.

Parents are asked to register for this event in advance using the QR in the poster. This will be an opportunity for parents to engage in learning and discussion regarding educational guidelines for technology use.

ELAA Post Secondary Fair

This is a MAJOR event for all LCI students as they are planning their next steps for post secondary education. ELAA will be bringing **29** representatives from the different post secondary institutions from across Alberta, as well as recruiters from the RCMP, the Canadian Armed Forces, the Lethbridge Police Services, and the Lethbridge Fire Department. LCI will also have our Off Campus Educator who manages Work Experience, Registered Apprenticeships, and Green Certificate on location to answer questions. We have also invited major local employers to come and talk to students about potential career pathways. This list includes the YMCA, McNally Contractors, Cooper Equipment, Alberta Health Services, Pratt & Whitney, Parks Canada, and the Davis Auto Group.

ALL GRADE 11 & 12 STUDENTS ARE STRONGLY ENCOURAGED TO ATTEND SO THEY CAN SEE WHAT OPPORTUNITIES ARE OUT THERE AFTER THEY ARE DONE AT LCI

This event is not just for academically inclined students. There will be applicable programs and opportunities for every student presented at this post secondary fair. Reps from all schools will be on hand to explain their programming options and admissions processes/timelines. Early Admission opportunities are possible.
