Anxiety Workshop

Supporting Kids & Teens Through Anxiety
with Angela Jans, MC, Registered Psychologist

Thursday September 25

6:30pm - 8:00pm

**Family Centre, 200-4 Ave. S.
Lethbridge**

With over 15 years of experience, Angela specializes in helping children, teens, and families navigate the emotional challenges of anxiety. She knows that while anxiety is common, it can disrupt learning, friendships, and daily life. Angela provides practical tools and guidance to recognize anxiety, respond with confidence, and build lasting coping skills. Whether your child is facing anxiety for the first time or has been struggling for a while, Angela offers support to help you feel more prepared —and less alone.

Go Physics!

WHAT IS IT?

During the workshop, we'll tackle some big questions: What is gravity? How do Newton and Einstein's models of gravity differ? How do black holes, some of the most mysterious objects in our universe, fit into this discussion? Join other students to explore exciting physics topics through group activities and discussions.

WHERE AND WHEN?

Thursday November 13 7:55am – 2:45pm
