YEARBOOKS FOR SALE

Yearbooks are available to purchase through SchoolCash Online!

Sales will run through until early next year, but extras will not be purchased to sell after the deadline.

School Photo Proofs Ready for Pick-Up in Advisor Class

Proofs for school photos done in August and September are **available to pick up from their advisor!** Please tell your student to **go to their advisor and pick up their photos.**

Retake Day for School Photos

For any students who missed all photo days, or require retakes, the LifeTouch photographers will be here on Friday, October 17th.

Bus Evacuation Drills

Evacuation drills are completed every fall to go over the requirements with our bussing students to safely perform an evacuation if ever needed.

Bus evacuation drills are done as the buses arrive at the schools in the morning and are only done with the students that ride those routes; this is not done with the whole school.

1ST AND 2ND

Open for Registrations

If your family is in need of extra support with providing gifts this Christmas season, you may be eligible for this program.

To register go to www.lfsfamily.ca/register

If you are needing assistance with registering, please contact Angel Tree directly, or LCI families can email Family School Liaison Counsellor Kala at kala.beers@lethsd.ab.ca

Registration Deadline: November 17, 2025

Go Physics!

WHAT IS IT?

A one-day camp exploring some big questions about space and even the entire universe. Can planets beyond the solar system sustain life? What do we know about the Big Bang? How do scientists think and solve problems?

WHERE AND WHEN?

Wednesday November 12 7:55am – 2:45pm
Lethbridge Collegiate Institute, 1701 5th Avenue South
C304

HOW DO I SIGN UP?

You must be in **Grades 9 or 10** and have a keen interest in physics and the world around you. The program is free but requires registration. Scan the QR Code to Register

Go Physics!

WHAT IS IT?

During the workshop, we'll tackle some big questions: What is gravity? How do Newton and Einstein's models of gravity differ? How do black holes, some of the most mysterious objects in our universe, fit into this discussion? Join other students to explore exciting physics topics through group activities and discussions.

WHERE AND WHEN?

Thursday November 13 7:55am – 2:45pm
Lethbridge Collegiate Institute, 1701 5th Avenue South
C304

HOW DO I SIGN UP?

You must be in **Grades 11 or 12** and have a keen interest in physics and the world around you. The program is free but requires registration. Scan the QR Code to register!
